Persons shall be referred in the order in which they are registered if their registration indicates that they are qualified for and desirous of taking such referral, unless they are not available for referral, subject to the following conditions: First,

(b) In addition to requests permitted by the provision of subsection 6(a), the Individual Employer may request any person registered on the out-of-work list out of order for any reasons; provided, however, that at no time shall any job contain more than 50% of persons requested under subsection 6(b). It will not be a violation of this Agreement for an owner (1 person) to perform Hod Carriers' work when needed, provided that said owner is performing work with at least one (1) additional Hod Carrier on the job site.

(c) Any Local Union may, at its option, permit a percentage of individual requests greater than 50% on any job. Such permission shall not be deemed a violation of this Agreement.

In the event that forty-eight (48) consecutive hours after such notice (Saturday, Sundays and recognized holidays excluded), the Local Union shall not furnish such workers, the Individual Employer may procure workers from any other source or sources. If workers are so employed, the Individual Employer shall promptly report to the appropriate hiring hall of the Local Union, in writing or by phone with written confirmation within
forty-eight (48) hours, the name, address and Social Security account number of the employee procured from such other source or sources and the date of employment and the location of the job on which he/she is employed. Workers who report on the first day are to be paid from the time they report to the Individual Employer's designated location.

(9) Dispatching hours shall be as specified in subdivision (1) of this subsection 28 or as specified in the notice or notices submitted pursuant to subdivision (1) of this subsection 28. In emergency cases, individuals may be dispatched other than at such dispatching hours.

(10) Each person, upon being referred, shall receive a written referral to be transmitted to the Employer representative at the job site indicating the name, address, Social Security Account Number, type of job, date of proposed employment and date of referral.

Any person may re-register by phone and must be personally present at the phone during dispatch hours. If a referral is made by phone, a written dispatch slip must be sent to the Individual Employer and worker. Any person who is permitted to register by telephone under this subsection 28 must appear personally at the appropriate hiring hall on roll call day. If such persons re-register or answer roll call pursuant to the provisions of this Section, they shall maintain their previous position on such list, subject to the provisions of subsection 12 of subsection 28 following, such person shall not be entitled to the position he/she held prior to his elimination in the event he/she re-registers or answers roll call, as the case may be. Persons will be excused from answering roll call only for the reason enumerated in subsection 28(7).

(12) Persons shall be eliminated from the registration list for the following reasons:

secure such skilled person from any available source subject to Section 2a of this Agreement.

(15) The Local Unions and the Union shall post in places where notices to applicants for employment with the Individual Employers are customarily posted, all provisions relating to the functioning of the hiring arrangements, including the provisions set forth in this Section, and each Individual Employer shall similarly post in places where notices to employees and applicants for employment are customarily posted, a notice of the hiring arrangements set forth in this Section.

(17) Any person aggrieved by the operation of the hiring hall shall submit his/her grievance to the permanent hiring hall neutral arbitrator provided that such submission is made in writing stating the reasons for the grievance within ten (10) working days after the occurrence of the grievance.

* The parties agree that sufficient contributions will be made available from these increases to the Pension Fund to support any rehabilitation/funding improvement schedule adopted by the bargaining parties. Additional money required for such rehabilitation/funding improvement schedule shall be reallocated from the existing wages and/or fringe benefits.

**To be allocated among wages and/or fringe benefits at the Union's discretion.

***If any early extended Agreement is negotiated prior to June 30, 2018, Individual Employers who do not extend said Agreement shall be subject to an additional twenty-five cents (0.25) per hour
increase, effective June 30, 2018 for a total increase of one dollar and ninety cents ($1.90).

In the event the Laborers Health and Welfare Trust Fund falls below a six (6) month reserve, any package increase negotiated by the collective bargaining parties shall be reviewed at least ninety (90) days prior to the effective date of such increase, and by mutual agreement, such monies as are deemed necessary to provide sufficient reserve not less than six (6) months, shall be allocated to the Health and Welfare Trust Fund. Such monies as are determined appropriate for this allocation shall have as their intent to build a six (6) month reserve.

When the Pension Plan is fully funded (100%), the parties agree to enter into discussions for the disposition of the monies that have been allocated for the rehabilitation/funding improvement plan.

Section 2: APPRENTICESHIP PROGRAM:

New applicants for membership, who cannot demonstrate a minimum of 4,000 hours of experience as a Plaster Tender shall enter the Apprenticeship Program. If an applicant is designated a journey-level Plaster Tender by a referring employer who states in writing that the applicant's knowledge and experience warrants journey-level status, such employees shall be considered provisional journeymen and may retain that status so long as they are employed by the designating employer. Any provisional journey-level Plaster Tender who is laid-off or otherwise discharged prior to working 4,000 hours may not be placed on a journey-level out of work list until assessed by the Apprenticeship Program.

The Individual Employer shall participate in the Plaster Tender Apprenticeship Program by accepting apprentices for employment upon referral by the Union. The Employer shall employ one (1) apprentice after three (3) journey-level Plaster Tenders on a project. On projects with fewer than three (3) journey-level Plaster Tenders, an employer may employ one (1) apprentice per project with at least one (1) journey-level Plaster Tender.

The Apprenticeship Standards approved by the Division of Apprenticeship Standards of the State of California are hereby incorporated by reference as part of this Agreement.

All apprentices shall be properly dispatched through the appropriate Local Union's hiring hall. The employer must secure a dispatch from the appropriate Local Union for any apprentices employed by the Employer.

Entry into the Apprenticeship Program shall be controlled by the Joint Apprenticeship Training Committee (JATC), which shall employ appropriate screening procedures. An apprentice in good standing advances from one level to another only upon determination of satisfactory performance by the JATC, which shall have the authority to grant accelerated credit where warranted by the performance of an individual apprentice. The JATC may also grant credited hours to an apprentice who received work experience and/or training prior to entry into the Apprenticeship Program. The JATC will not unreasonably withhold entry and advancement in the Apprenticeship Program for provisional journeymen after their employment with a referring employer is terminated.

An apprentice should, whenever possible, be rotated by the Individual Employer through different types of work so as to become trained in a variety of operations and work skills. Where the Individual Employer is unable to provide an apprentice with experience in the full range of craft skills causing the apprentice to exceed the number of hours allotted to a given work process, the JATC may coordinate with the Local Union to reassign the apprentice to other employment in order to provide that experience. For so long as the Individual Employer is able to provide the necessary range of employment experience, the Employer may choose to retain the apprentice from job to job but shall notify the Local Union and JATC of all reassignments. An apprentice shall not work on the jobsite unless supervised by a journey-level Plaster Tender.
The Employer shall release the apprentice to enroll in Related and Supplemental Instruction (RSI) when the apprentice is notified of mandatory training. An apprentice shall not be penalized for taking time off from work to receive RSI as required by the Apprenticeship Program. The Apprenticeship Program shall endeavor to notify the Individual Employer of any upcoming RSI requirements the apprentice must satisfy. The Program will assist the Employer in meeting its apprentice ratio requirements.

An apprentice who fails to maintain his/her apprenticeship status shall not be eligible for employment as a journey-level Plaster Tender unless he/she successfully completes the Program after reinstatement by the JATC. Reinstatement is at the sole discretion of the JATC. If reinstatement is denied, an apprentice may reapply for entry into the Program after waiting one (1) year from the date he/she was terminated from the Program. The failure of any apprentice to maintain his/her apprenticeship status shall obligate the Individual Employer to discharge such person upon written notice from the Apprenticeship Program.

2 Apprentice wage and fringe benefit rates shall be:

The Individual Employer shall pay to each employee covered by this Agreement the amount shown above for each day's work in addition to their regular and overtime wages as subsistence.

   (c) The area known as Geysers is a ten dollar ($10.00) subsistence zone.

   (d) Work performed at the Mt. Hamilton Observatory or facilities adjacent thereto shall be a subsistence zone.

2. Exemption to the requirement for payment of subsistence: The Individual Employer shall not be required to pay subsistence to employees covered by this Agreement where employees are employed to work:

   (a) At the Individual Employers permanent yard;

   (b) At the Individual Employer's permanent shop;

   (c) On buildings of three (3) stories or less which are part of a residential construction project located within the subsistence area;

   (d) On streets, roadways and utilities, which are a part of a residential construction project of buildings of three (3) stores or less, located within the subsistence area. This exemption does not apply to
camps, highways, dams, tunnels or similar heavy engineering projects.

3. On all other work located within the subsistence area when any employee works two (2) or more hours in any one (1) day, he/she shall be paid the subsistence allowance for that day. Such pay shall be paid to employees by separate check.

4. The Individual Employer’s daily charge for board and lodging on jobs where subsistence is paid shall not exceed the daily subsistence allowance paid the employee.

5. Such payments for subsistence shall be excluded from the wages of the employee for the purpose of the Fair Labor Standards Act and shall be paid to such employee by check weekly and identified separately therein. Subsistence is defined as reimbursement for food, lodging and living expenses out of town and is not a wage or reimbursement for time spent going to or from the job site.

6. If an employee is transported by the Individual Employer from a permanent yard or shop located in a free zone to work in a subsistence zone and transported back to the same permanent yard or shop in a free zone, all on the same day, on the Individual Employer’s time, he/she shall not receive subsistence.

7. Both parties agree to meet and confer relative to subsistence where extremely adverse conditions exist with respect to job site access. Any employee may refuse, without penalty, work requiring an overnight stay.

Section 2: The Committee shall be composed of three (3) members of the Wall and Ceiling Alliance and three (3) members selected by the Northern California District Council of Laborers. From this group, a chairman and a secretary shall be elected; one from the Contractor members and the other from the Union group.

Section 3: Any member of the Committee who is an Employer representative may be removed at any time at the discretion of the Contractor Association by written notification to the Joint Committee.

Any journeyman who causes a contractor to be cited before the Joint Conference Committee for infraction of the Agreement through his Business Agent or otherwise, shall be required to personally appear as a witness and state his case, if requested by the Committee.

(a) Notice of time, date and place of hearing shall be given to any person directly interested in the hearing by written communication at his last known address.

(b) At the request of any party, all persons not having a direct interest in the matter being heard

(d) If in any event any member of the Committee has a direct interest in the matter of dispute, such member shall not take part in the hearing or decision.

(e) The Joint Conference Committee shall render a decision within five (5) days after the matter has been fully heard by it and such decision shall be final and binding upon all parties to the dispute.

(f) If the Joint Conference Committee fails to reach a decision within five (5) days after the matter has been fully heard by it, the dispute shall be referred to arbitration unless the parties to said dispute agree, by mutual consent, to extend the time. If no agreement is reached upon an arbiter or upon the extension of time, the Committee, through the Chairman, shall, within twenty-four (24) hours, request the Federal Mediation and Conciliation Service to submit five (5) names as arbiters who are members of the National Academy of Arbitrators, and each party shall have the right to cancel two (2) names; the fifth (5th) or remaining person shall make the decision, which decision shall be final and binding on both parties.

(k) In no event shall the Joint Conference or the impartial arbiter have authority to change or modify the terms of this Agreement.
